

6929 N. Lakewood Avenue  
Tulsa, OK 74117

**PUBLIC NOTICE OF NETWORK CHANGE UNDER RULE 51.329(a)**

**June 14, 2023**

**Carrier:** Verizon Virginia LLC, 22001 Loudoun County Parkway, Ashburn, VA 20147

**Contact:** For additional information on these planned network changes, please contact:

Steven Tobia  
Global Engineering and System Performance  
Verizon Wireline Network Operations  
13100 Columbia Pike  
Silver Spring, MD 20904  
(410) 707-7964

Quandre Washington  
Senior Manager – Global Engineering and System Performance  
Verizon Wireline Network Operations  
320 Saint Paul Place,  
Baltimore, MD 21202  
(410) 736-4261

**Implementation Date:** On or after **January 2, 2024**

**Planned Network Change(s) Will Occur at the Following Virginia Location(s):**

<b>Verizon Central Office</b>	<b>Address</b>	<b>CLLI</b>
Gaskins Road VA 5E Switch	1301 Gaskins Road Richmond, VA 23238	<b>RCMDVAGKDS0</b>
Grace Street VA CS2K Switch	703 E. Grace Street Richmond, VA 23219	<b>RCMDVAGRPS1</b>

**This notice may also be viewed at:**

<http://www.verizon.com/about/terms-conditions/network-disclosures>

**PLEASE NOTE:**

- All references to the Gaskins Road VA 5E switch are associated with CLLI code RCMDVAGKDS0 and will not be repeated throughout the notice.
- All references to the Grace Street VA CS2K switch are associated with CLLI code RCMDVAGRPS1 and will not be repeated throughout the notice.

**Description of the Planned Network Change(s):**

The Verizon Gaskins Road VA 5E switch, located at 1301 Gaskins Road, Richmond, VA 23238, will be retired and removed from the Verizon network after all traffic served by this switch is migrated to the Grace Street VA CS2K switch, located at 703 E. Grace Street, Richmond, VA 23219. All traffic to be migrated to the Grace Street VA CS2K switch includes, but is not limited to, inter-LATA (ACCESS/FG-B-D/CLEC/IXC), wireless and paging traffic.

**Description of Reasonably Foreseeable Impact(s) of the Planned Change(s):**

All carriers, including competitive local exchange carriers (CLECs), interexchange carriers (IXCs, IECs), wireless carriers, and paging carriers, will need to provision new trunk groups to support direct end-office trunking to the Grace Street VA CS2K switch or have existing trunk groups to that switch augmented.

All ASRs for the Grace Street VA CS2K switch must be received no later than **November 13, 2023** to provide sufficient time to migrate the traffic described above. Local Exchange Routing Guide (LERG) change effective dates will be posted prior to decommissioning of the Gaskins Road VA 5E switch (**on or after January 2, 2024**). This will serve to guide interconnect re-routes of traffic for the NPA codes currently served by the Gaskins Road VA 5E switch to reflect the Grace Street VA CS2K switch as the new home switch. All trunks to the Grace Street VA CS2K switch must be in place prior to the decommissioning of the Gaskins Road VA 5E switch. All ASRs for the Grace Street VA CS2K switch must carry a project code of **RCMDVAGKRP0**.
